No "Cheap Skates."

None of our Chicago visitors here last week were "cheap skates," as we have been informed that the lowest salary drawn by any of them is ten thousand dollars per year, and from that up to fifty thousand dollars.

We save you money on Cloaks and Furs.

Whose Baby?

Right on the heels of the question "Who Got Shot?" comes the above question for the curious to unravel. On Sunday afternoon, a five or six months old child was found in a tin bucket a short distance up Houston creek in the city limits. The dead child was perfectly formed and had evidently only been put there a short time before. After guessing "Who Got Shot?" you will have another guess coming, "Whose Baby?"

Do It Now.

Smoke a "Bourbon Belle" cigar today and you will call for it every day.

New Flour Mill.

E. F. Spears & Sons will start a flour mill in connection with their meal mill. A. L. Slicer, who has been the miller at the Paris Milling Co. for a number of years, will have charge. Mr. Brown, the assistant miller, is in charge at the Paris Mills.

He Knows.

Have a cigar? Yes, give me a "Bourbon Belle."

New Guardian Appointed.

The Court of Appeals has sustained the Lower Court in the case of Mrs. Livinia Cunningham, guardian of Nannie Clay vs. Brutus J. Clay, removing Mrs. Cunningham as guardian. Judge H. C. Smith appointed Brutus Clay as guardian of little Miss Clay in her place.

Superior to All Brands.

If you want canned corn what tastes like fresh "Roasted Ears" just off the cob, ask your grocer for "Perfection" brand.

Only One Supervisor Says Big Court.

The Court of Appeals, Friday, Judge Settle writing, and the whole court sitting, affirmed the judgment of the Fleming Court in a case of Fleming County Fiscal Court against W. F. Howe, County Judge, in which it is held that, under the general road law, the Fiscal Court of a county has authority to appoint a Supervisor of Roads, but not more than one such officer for a county. In the case at bar the Fiscal Court had appointed six Supervisors for Fleming county.

The opinion of the court is of much importance, as in many counties of the State, more than one Supervisor is engaged. Bourbon now has three.
